2nd December 2022

**Message from Head teacher:** School has become very festive, our Christmas tree is up and the hall is lit. If anyone would like the tree, it is available from Midday on the 16th Dec - it is a lovely shaped tree. We have an elf who is hidden every day across school and the eagle eyed child who spots it first gets a Chocolate Santa. Please check the dates and information carefully on the newsletter so you are aware of what is happening in the next two weeks.

## Class News

**Class Lynher** - On Wednesday, we walked down to the Clock Tower in Kingsand. We learnt the history of it, listened to a story and also sketched it. We are continuing to develop our gymnastics routines and have been practising for our Christmas performances next week. In science, we are learning about electricity and made a circuit. By Molly & Rose

**Class Tamar** - On Monday, a few of us attended a poetry workshop day at Bishop Cornish School where we created Christmas poems. In history, we have been learning about the Ancient Egyptian's methods of farming and Mummies. We have also been very busy making Christmas tree decorations for Millbrook Christmas Tree Festival. On Tuesday, we had an Aspirations Day where speakers came in to inspire us about career choices. By Colton & Archie

**Class Cremyll** - We have finished writing our Gingerbread Man stories and also baked gingerbread men - they were delicious! We have been practising for our Christmas performance and are decorating our Christmas decorations. By Alfie & Hugo

**Class Plym** - We have made instructions for the Gruffalo telling him how to make a jam sandwich. We then made our own jam sandwiches and ate them on the field. We have made journey sticks with natural materials and masking tape. We have decorated our class Christmas tree and Buddy the elf has come to visit. He froze all the Gruffalo characters and we used hammers to free them! We are also making salt dough Christmas decorations. By Noah.H & Mali
