

# PSHE Changing Me

CLASS PLYM

SUMMER 2 2023

# I can name parts of the body

My heart is here..  
It pumps blood  
around my body,

I need my  
mouth to  
talk.. And to  
eat!

I love this song!  
(Heads,  
shoulders,  
knees and toes)

I can tell you some of the things I can do and foods I can eat to be healthy.

I take vitamins at home for my body.

Wine is only for people who are 18 and it is full of sugar.

Broccoli is good for your body. It is a vegetable and full of vitamins.

# I understand that we all grow from babies to adults

As a baby I could crawl around.

An adult can go on the computer and ring the doctors.

Adults can drive.

A baby wears a nappy because they can't reach the toilet.

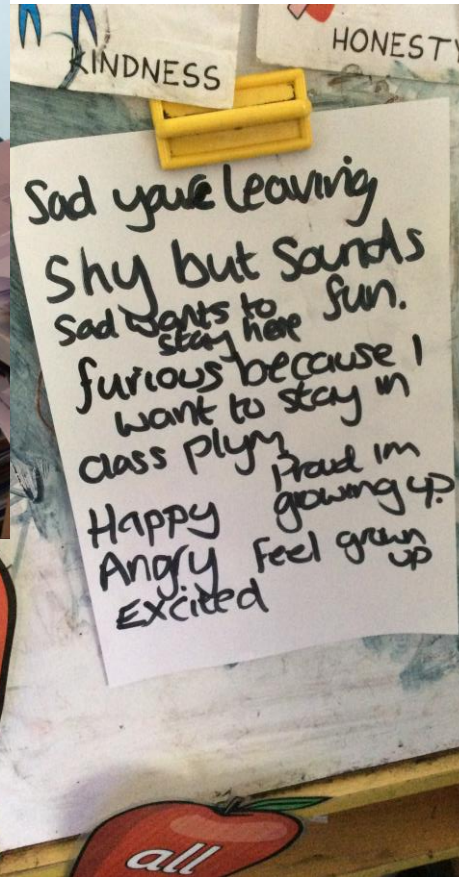

# I can express how I feel about moving to year 1

I feel excited  
because I will  
have a new  
class.

I feel worried  
about finding  
out about my  
new teachers.

I am quite  
excited to  
have Jigsaw  
Jack in year  
one but I'll miss  
Jigsaw Jenie!

I can talk about how I feel about my worries and/or the things I am looking forward to about being in Year 1.

I feel happy because I love my new teachers.

I am looking forward to having my class close to the playground.

I am looking forward to doing Science because it's where you do experiments.

I am looking forward to having new teachers and being with some more friends.

# Reflecting on my best memories of class

## Plym

My best memory is seeing you and Mrs Gibson and playing. My best memory is playing with the Lego. My best part is all of it. I like choosing time.

My best memory is wake and shake because I like it. My best memory is me always being good because I don't like you having to move our names down.

My favourite memory is playing with the whole school and playing with my friends. I liked going to the Eden Project because I loved the robot man called Peppa.

My best memory is when we had our school play and when I dressed up as a fairy. My best memory is playing and choosing time. My best memory is the Christmas play because it was so fun and I saw an elf by the Christmas tree.
