

**TIMETABLES**

# French

Spring 2022

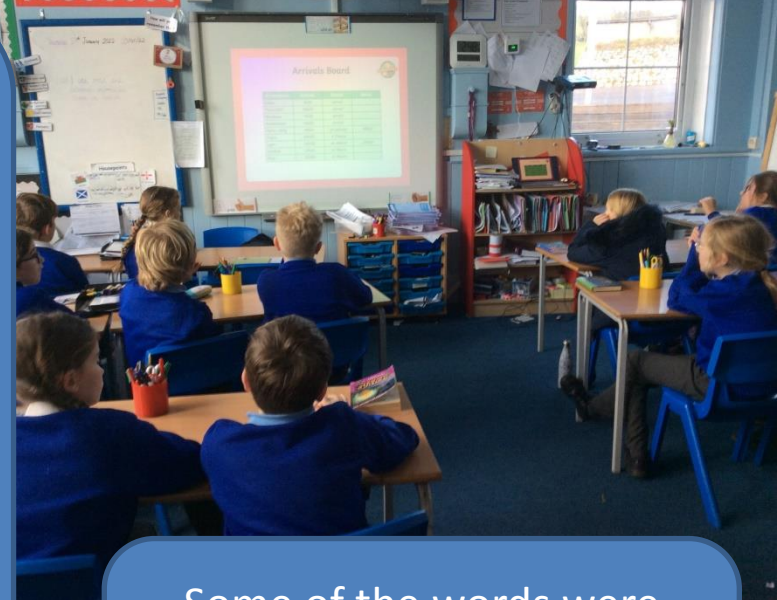

Class Lynher

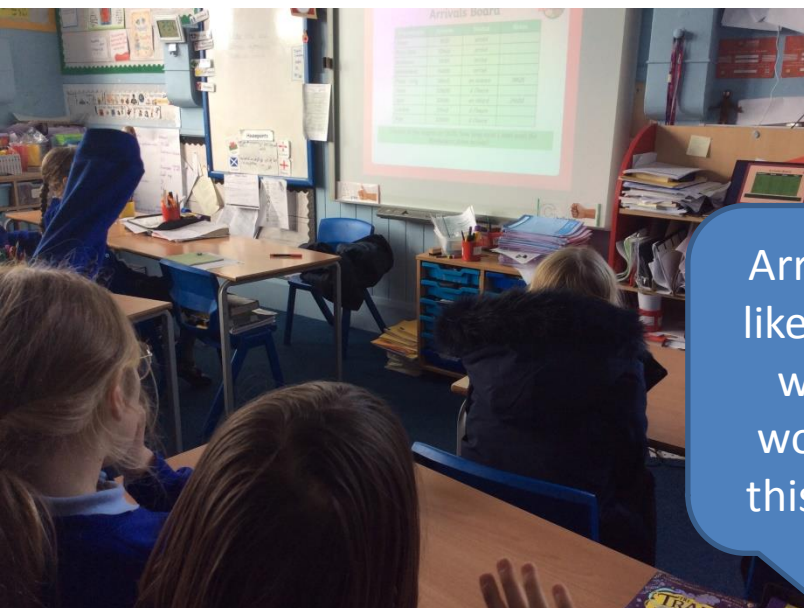

First we used our prior knowledge and linked to our knowledge of English to try and match new French vocabulary to their English equivalents. Then we applied this by working out what a French arrivals and departure board were showing.

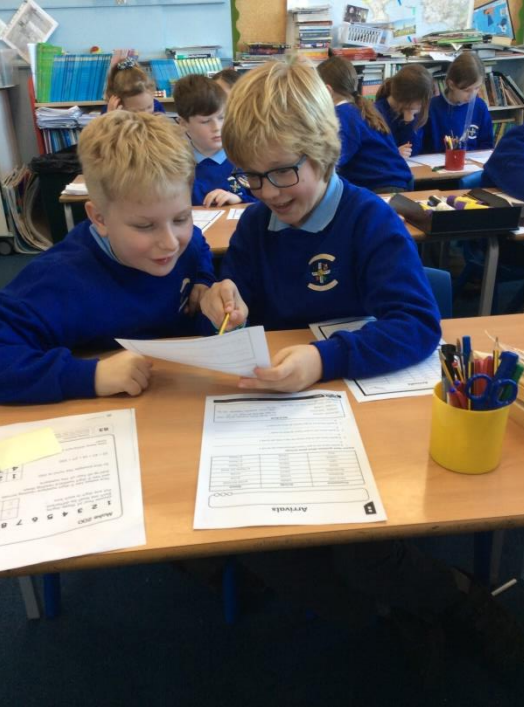

Some of the words were very similar to each other so we had to work hard to match them up.

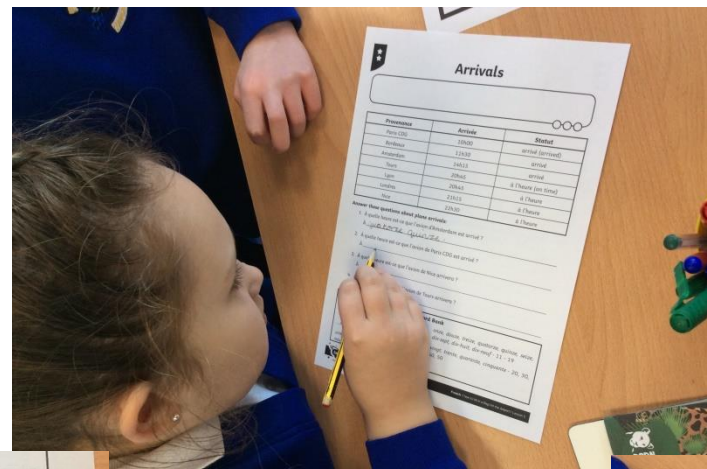

Arrivees looked like arrive so we were able to work out what this one meant.

We then first orally and then in writing answered questions about an arrivals and departure board.

The questions were in French so we had to use the words we had learnt to work out what they were asking. Then we could answer the questions.

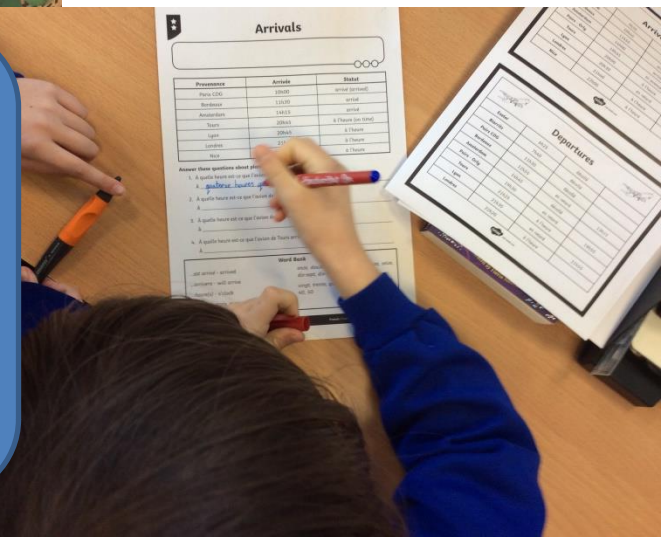

Destination	Départ	Statut
Exeter	6h30	décollé (departed)
Biarritz	7h15	décollé
Bordeaux	13h30	décollé
Amsterdam	14h00	décollé
Tours	21h45	à l'heure (on time)
Londres	22h15	à l'heure
Nice	23h00	à l'heure

Answer these questions about plane departures:

- À quelle heure est-ce que l'avion pour Exeter est parti ?  
A 06h30, six heures trente
- À quelle heure est-ce que l'avion pour Bordeaux est parti ?  
A 13h30 treize heures trente
- À quelle heure est-ce que l'avion pour Nice partira ?
