

### Fourlanesend 3 – 3 Harrowbarrow

This was always going to be a sturdy test for our impressive squad of sporting talent.

Blue skies and a pristine pitch glistening in the glorious Cornish summer sun set the scene for another magnificent display of high tempo match day drama.

From kick off, Harrowbarrow showed aggression and skill not seen in our previous matches. Alissa and Felix worked tirelessly, closing down opposition attack and demonstrating some great fluid passing. Zach and Jack (surely that's a title for a story book, 'The Adventures of Zach and Jack'!), anyway, those two were fantastic; strong and resolute in the tackle, calm in possession.

Harrison came on and worked super hard, laying his body on the line for the team, Daisy showed good movement and positional awareness. Then they got a bit of luck, a fly landed on the end of James's nose just as their striker whacked the ball, 0-1.

The second half kicked off with the dynamic Tirian working his magic, teaming up with Jan and Pottz, swift passing, composure and a smart finish, 1-1.

The next few minutes were so action packed that an over excited Mr Wilde had to sit down holding an ice pack to his forehead.

HB got one back, 1-2. Our heroes gritted their teeth, rolled up their pink sleeves, and were magnificent. Jan, gazelle like, swift, graceful, calm; played the pass of the match opening up the opposition like a surgeon, Pottz was there once more 2-2.

In a flurry of superb play we took the lead, Pottzy did it again, 3-2!

James saved a couple of blistering shots as HB piled on the pressure, eventually we conceded 3-3.

Corin and Lewis came on, working super hard and showing promise for the years ahead. The final whistle went from an out of breath and out of shape ref.

Our first draw but still undefeated this season, well done to all the team.

Player of the match goes to Mani "Pottz", superb throughout and his first hat-trick.

More theatre next week with a cup match derby against Millbrook on Tuesday and St.Germans on Friday, both at home.
