

A close-up, slightly blurred photograph of a red rugby ball. The ball is the central focus, with its textured surface and curved shape clearly visible. In the center of the ball, the letters 'TTR' are printed in a large, bold, white font. Below 'TTR', the words 'TRY THE RUGBY' are printed in a smaller, white font. The background is a dark, out-of-focus green, suggesting a grassy field. The overall lighting is soft, highlighting the texture of the ball.

Spring Term 23
Tag Rugby

We warm up to help prevent us getting injured.

Before we played rugby we always warmed up.

We passed the ball backwards because that is how it is played in rugby.

We learnt that we had to pass the rugby ball backwards.

We used tags to make
the opposition pass the
ball. We had to shout
tag!

We grabbed
the tags
instead of
tackling.

We played group games and to score a "try" we had to put the ball down on the ground firmly.

The ball's shape made it quite easy to slam onto the ground .

It was great fun making a run from one end of the playground to the other with everyone cheering.

We enjoyed playing our games and had to communicate with our team to attack and defend.

We walked around at a slower pace, breathed deeply and stretched our muscles.

At the end of each session we "cooled down"

PE FLE 3/4 How do you play tag rugby?
