Class News

Class Lynher - We are continuing to learn new badminton skills in PE and also played dodgeball. In art, we have created landscape pictures using mixed media. In computing, we used Scratch to programme our own games and in RE we have continued learning about Hinduism and their belief that actions can bring good and bad karma. By Logan & Henri

Class Tamar - In science this week, we have been looking at the processes of evaporation and condensation and how water can be affected by temperature. In music, we have learnt how to play the c chord on the ukelele. In PE, we created dance moves inspired by the musical 'Singing in the Rain'. In history, we have learnt all about Greek democracy and how this has influenced democracy today. Also, in RE, we watched a video all about Diwali - the festival of light. By Alfie, H & Hugo

Class Cremyll - This week we have had two special days. On Monday, Arena came in and we did some activities focussing on happy and healthy minds. We drew rainbows, had some fun doing Zumba and yoga. On Thursday we had our 1970's day. We all dressed up as a 70's child and learnt about what was different in a 1970's school. In PE, we have continued dancing and mirroring each other. By Clara

Class Plym - We have started our new book called 'Supermarket Zoo'. We then talked about our morning routines and the order we do them. We discussed where food comes from and have written a shopping list for Miss G ready to make pizzas next week. In RE, we talked about the different names used for God in Christianity. In PSHE, we discussed how we can use kind words to encourage others. We also looked at empty, half-full and full in maths. We had to predict how many spoons of sand it would take to fill up a container. By Pip
