

R.E:
Jesus And His Reincarnation.

I can notice the signs of spring and recognise that to Christians this is a special time of year.

Lambs, daffodils, and the leaves all mean spring is on the way.

We know it will soon be Easter when the *signs of Spring* appear. Baby lambs are born and Spring flowers start springing up.

In Spring *new life* is all around us.

Chicks hatching from eggs are symbols of *new life* and that is why eggs are often decorated at Easter time.

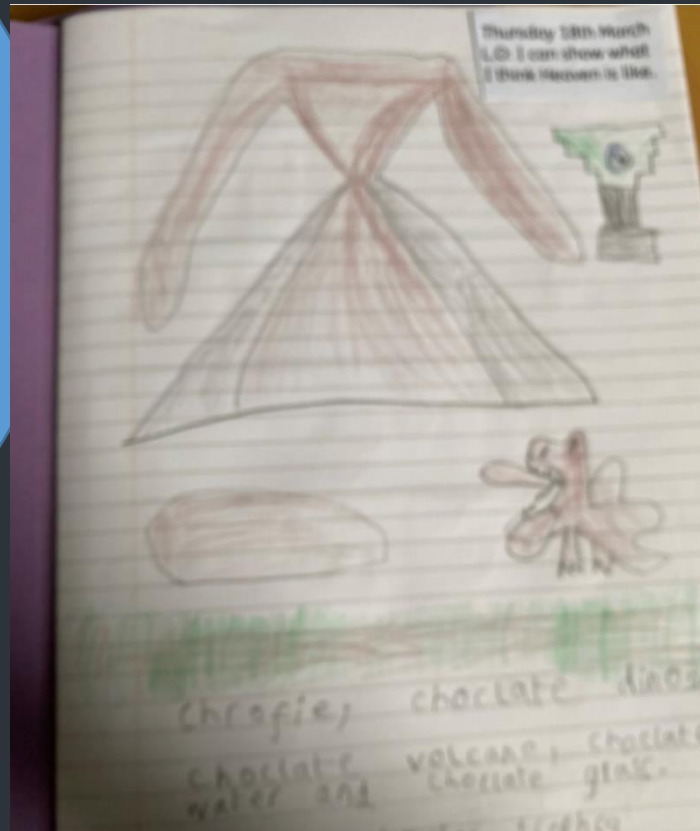

In the shops you start to see chocolate eggs. These are for Easter.

Christians remember Jesus at Easter.

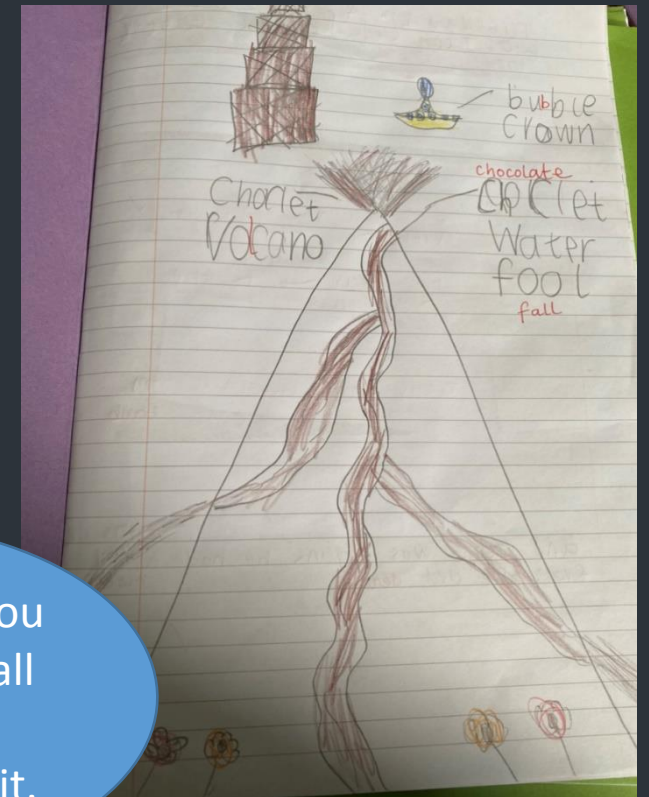

I know heaven is somewhere Christians aspire to reach as it is special. I can recognise what I think is special to me.

Heaven is a special place that Christians go when they die. It is where they will see the people they love again.

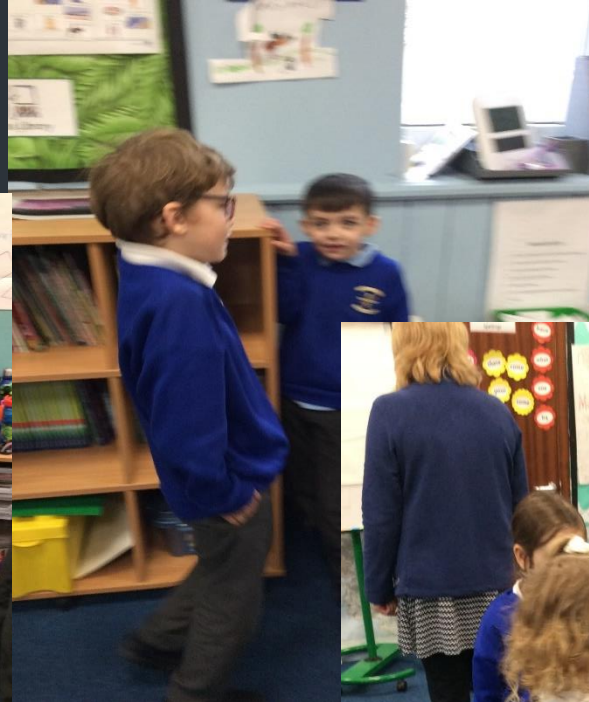

Heaven makes you happy as it has all the important things to you in it.

I can discuss the key elements of the Easter Story

Palm Sunday is when Jesus arrived on the donkey.

Judas told the soldiers where to find Jesus.

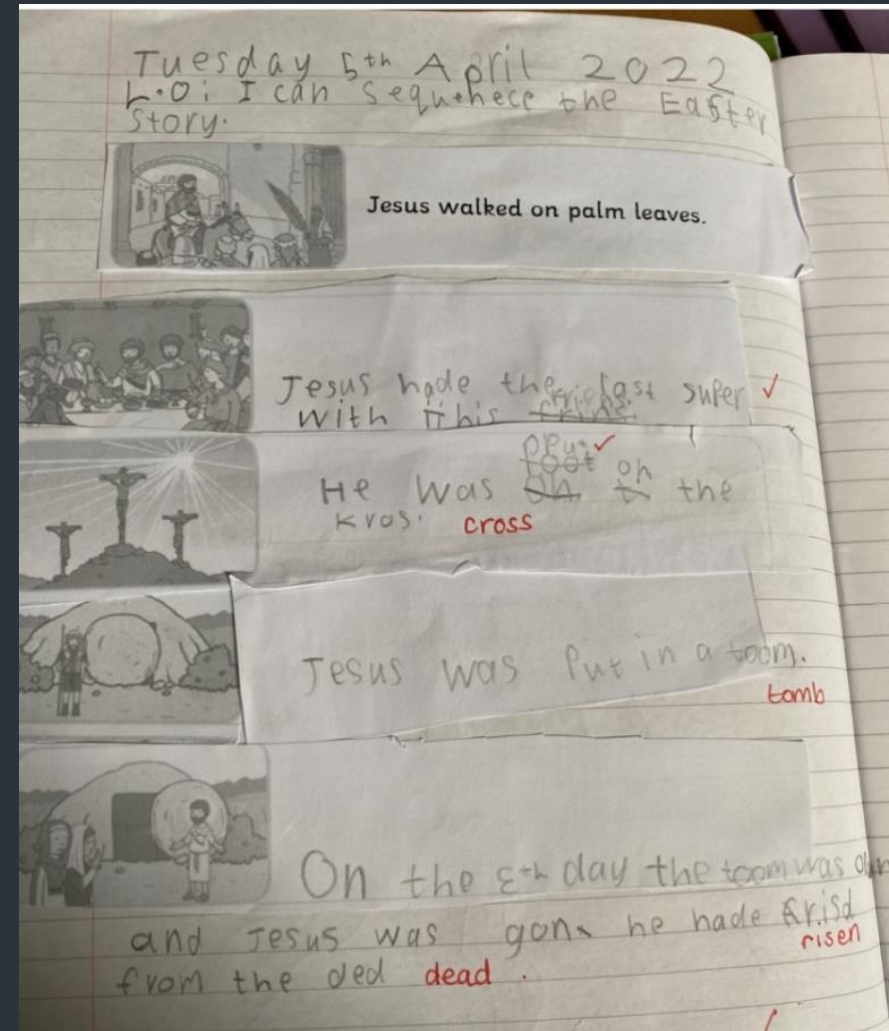

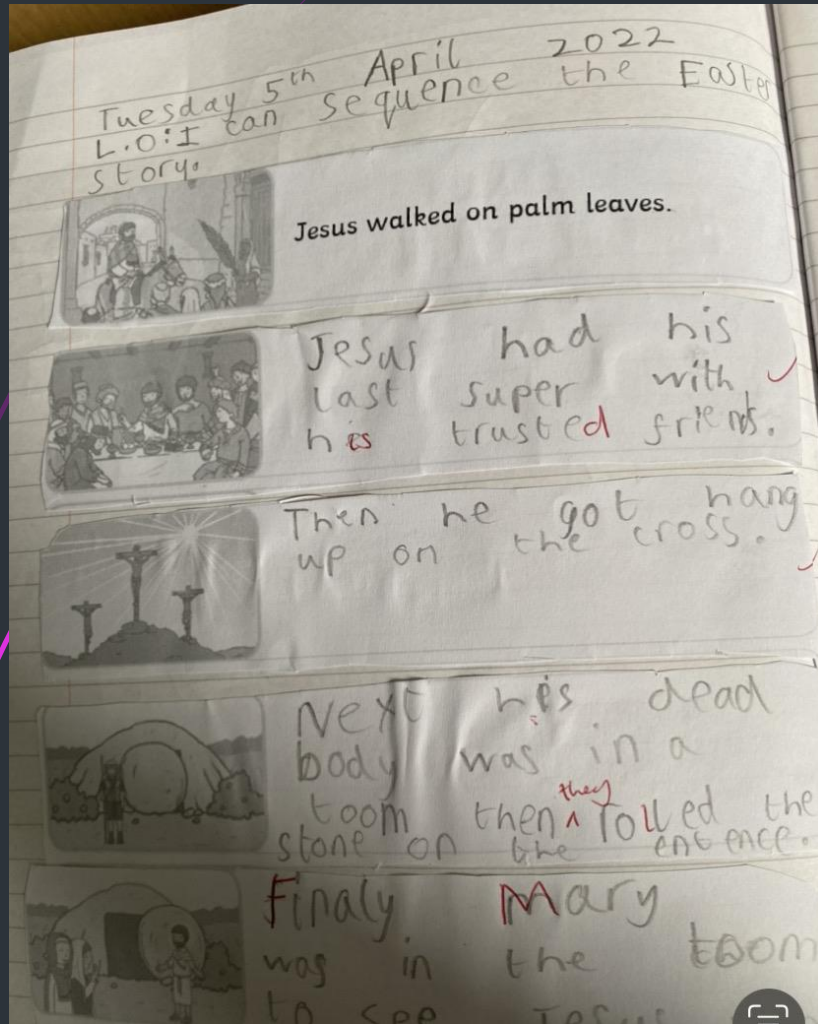

Jesus died on the cross. But he came back to life, with a message.

Peter betrayed Jesus by saying he didn't know him.

End point.

RE

FLE YR 2

Why does Easter matter to Christians?

What we already know:

- How and why Christian people celebrate Christmas.
- Not all religions believe in the same God: Muslim people believe in Allah

**Our Endpoint**

Label the key elements of the Easter story.

Forever Facts

Easter is when Christians remember/celebrate the resurrection of Jesus Christ (The Son of God)

Christians believe heaven is a sacred place that they aspire to reach.

Jesus dies on the cross.

Culture Capital

- Understanding why we celebrate the things that we do in this culture.

Subject Specific Vocabulary

| | |
