How can I publish on a desktop?
Class Tamar

A large, white, stylized letter 'W' is centered on a blue background. The 'W' is composed of thick, rounded strokes. To the right of the 'W', there is a vertical blue bar with several horizontal white bars, resembling a book spine or a list of items.

We first explored how to save to our own folder and name Word documents.

It was a little bit hard to find the right folder. It was fun.

We found out how to edit texts by either highlighting or using the edit tool. We also changed the font size and style.

There were lots of different fonts that we could choose!

My favourite animals **ARE PUPPIES, LYNX, CAT.**

As it was the coronation, we researched this and imported pictures from the internet.

King Charles III
Coronation
The coronation starts
on Saturday the 6th

We copied different things about the coronation and then changed it on our document.

Linked to our topics we also researched about kites, volcanoes, mountains and earthquakes.

Fold mountains are types of mountain

Dome mountains are made out of magma

Fault block mountains

When I researched out kites I found out that kites helped build the bridge over the Niagara Falls.

There is more than one type of Mountain. One of the Mountain types a Dome

Computing FLE 3/4 How can I publish on a desk top?

Cultural capital

Children see the value of safe internet searching and the ability to manipulate texts and images.
That word processing is an integral part of most jobs with opportunities to develop specific IT skills and STEM jobs.

Skills
