26th April 2024

Message from Head teacher: On Friday 17th May the school council have decided to have a mufti day in return for hamper items which they will raffle off at Sports Day. The money raised will be put towards coaches for school trips. Good luck to our football team who are playing an away match against St Germans on Monday. It's been lovely to see them work together so well as a team and we wish them every success.

Residential Trips

Class Lynher & Tamar's residential trips in the summer term are on ParentPay. Please note, you are expected to make a reasonable contribution for these trips to take place. This is due to people making no contribution at all or only paying a nominal amount to residential trips. The school cannot afford to continue to cover non-payments. Any problems, please do not hesitate to contact us.

Class News

Class Lynher - In art we have been learning to keep our pen on the paper while we draw an object. In maths we have been doing angles with protractors and estimating the angles. For PE we were sprinting- we had to make sure our reaction time was quick and that we ran in a straight line looking where we were going. In history we learnt about Winston Churchill and Neville Chamberlain and their thoughts during World War Two. On Monday we did a live lesson for Earth Day about endangered animals. By Joey & Rosie

Class Tamar - In science this week we have been learning all about our skeleton, the role it plays and how it protects our vital organs. In music we have started our new topic learning all about Latin dance, specifically the salsa! In French we have learnt more words for equipment in the classroom. In geography, we have started looking at rivers around the world and in RE we learnt all about Pentecost. In PE, we had a fun game of outdoor basketball. By Layton & Sylvia

Class Cremyll - In RE we looked at the story of Peter the Fisherman and how the story talked of forgiveness. We drew pictures with speech bubbles saying why we are sorry and asking for forgiveness. In PSHE we looked at what made a good friend. In history, we learnt about Neil Armstrong - the first man on the moon and in art, we made 3 dimensional sculptures using straw and tape. Year 1 have also enjoyed Wild Tribe and Earth Tribe this week. By Harriet, Clara & Jack

Class Plym - This week we have followed instructions for how to grow cress. We have been balancing in PE and in science we have been thinking about why we use certain materials for things. For example, why do we use glass for windows. We have been really enjoying our Earth Tribe day today. By Niamh & Amy
