Class News

Class Lynher - We have continued to look at the book Holes and have been writing non-chronological reports, we also had fun acting out a scene from the story. In computing we were videoing each other using close up, zoom and long shot. We found out that if it is far away you can't hear them talking as well and sometimes when you zoom in it can blur. In PE we have started our fencing unit. We learnt how to hold the fencing position and say 'en garde'.
By Year 5

Class Tamar - In Science, we have been looking at the water cycle and how the water we have on Earth basically gets recycled continuously. We also learnt how to separate sand and salt from water using filtration and heat. In French, we practised how to say different snacks and drinks and in PE, we have been continuing to learn the different skills required for rounders. Yesterday, in DT we designed our kites and today we have really enjoyed making them! By Colton and Ebre

Class Cremyll - In DT we have been preparing to design some bunting so we made beautiful bunting cards for a special day. In RE, we have been learning about who needs help in the world and how people care. In PE, we practised our tennis skills and we saw who could hit the ball the highest! By Molly & Finlee

Class Plym - This week we made 'The Very Hungry Caterpillar' puppets and put on a show to the class. We learnt how to do a relay race and one team kept winning! We have also been painting some special cards (shhh!)
