

## **Fourlanesend 5 – 2 Pelynt**

What a game, what amazing players, what theatre, what an atmosphere!

The match kicked off with Pelynt demonstrating impressive waves of attack. Our young lions stood firm, brave & fearless under pressure. Jack and Harrison at the heart of the action; calm, resolute, assured.

Tirian justified his inclusion with a long range effort that reminded me of Jamie Vardy's goal of the season, unfortunately the easterly breeze pushed his shot just past top right.

You could feel the nervous tension in the crowd as the second half kicked off; fortunately a rapid manoeuvre by our illustrious strike force saw the net bulge, within seconds of kick off, we were ahead. One, Nil to the blacks..... well, pink and black, okay..... pinks.

The giants awoke! Jan, Mani & Oli were devastating in attack, tricky, slick and cool. Corin, sublime with fancy footwork.

Due to excitement overload, my memory of the goal scorers are blurred, but our champions were in blistering form.

Ollie W. made a late appearance (\*one to watch).

Ending in a 5-2 victory, we look ahead to our next challenge.

MOM was Jimmy "Safe Hands" Saunders; mind blowing performance from one of the Rame Peninsula's future stars.
