

Celebrating Differences

PHSE Autumn 2020
Class Lynher

I understand that cultural differences sometimes cause conflict

We know we are all different

We watched the London Riots
and talked about why they
happened.

I UNDERSTAND WHAT RACISM IS

Racism is when someone is discriminating a person because of their skin colour or religion

We discussed what we could do to eliminate racism including Recognise that no matter what our skin colour, accent, language we speak or the place we are from, we are all equal and deserve the same rights and treatment.

CELEBRATING DIVERSITY

We designed a new 50 pence coin, inspired by the 2020 diversity in Britain coin

I UNDERSTAND TYPES OF BULLYING BEHAVIOUR

It can make
people feel
very sad

We discussed
how people can
help those who
feel like they are
being bullied

We spoke about
direct and
indirect bullying

DOES MONEY MATTER?

I feel happy when I
am with my family
and they are healthy

I CAN EXPERIENCE ANOTHER CULTURE

We looked at the impact different cultures in the UK have had on our country.
