

# History Class Cremyll Y1/2 Summer 1 Who are the famous people and what are the events that have made an impact on the world?

## What I have learnt before:

- Using a timeline.
- There are important people in history.
- What is meant by the term famous.
- Famous local people.

## Forever Facts:

There are significant events in the past that we still talk about today.

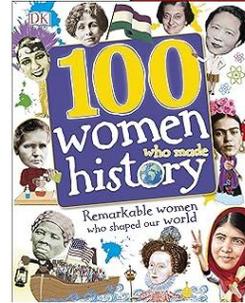

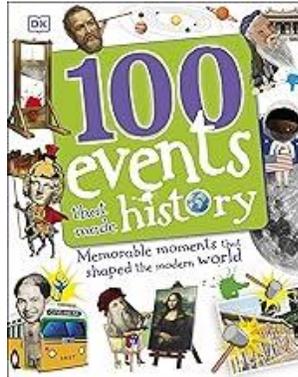

Some people who have put their lives in danger to make the world a better place.

Timelines are used to place events in the order they occurred.

Some people who have contributed much to improve the lives of women.

Some people have done something in the past that has impacted on our lives today.

## Exciting Books

## Our Endpoint

I can explain who has made the greatest contribution to our world and why?

## Personal Development

- Appreciation of how life changes over time.
- Understanding of how life was different in the past.
- Understand how individual can make a difference to the world.
- Understand how events can change the world
- Jobs it could be used for: researcher, social historian, politician and councillor

## Skills:

I can use a timeline to identify when the famous people lived.

I can identify the impact that people/events have had on the world.

I can order events from the past.

I can identify similarities and differences between ways of life at different times.

I am developing an awareness of the past and how we found out about it.

I can compare events.
