- 4) **Room names** - We have rooms that don't have names and are called different things. It was discussed that it would be easier if we all had the same names for them. There was discussion around names regarding their usage, however it was decided as they were used for different things this wouldn't work. The councils discussed calling them after things that were local for example landmarks, villages, beaches etc. The council then consulted the staff in the staffroom for feedback on their ideas. Following feedback they came up with:
  - Maker - old SEN room
  - Rame - middle room
  - Penlee - old staffroom
  - Edgcumbe - immersion room**ACTION** - Office to order signs, school council to check on the progress of this.
- 5) **Suggestion from Jake** - A net or something to stop the balls going into the farmer's field. The cost was discussed and it was suggested that we ask parents for any ideas. It was suggested by Romilly that the PTA could have funds for something. It was agreed to ask parents first. **ACTION** - To ensure it is added to the newsletter.

6) **The children asked for new nets for the goals** - It was agreed that these would be purchased with the next stock order.
