Message from Head teacher: Please see the letter about measles, the MMR vaccination and how you can get your child vaccinated. This letter has also been emailed to you as it has important links in it. Class Cremyll have all received a letter about their special day next Thursday learning about what childhood was like 50 years ago, again this letter has been emailed to you. Finally a huge thank you to Abbie Roach who has successfully completed her final teaching practice with us today. We all wish her every success in the future.

Careers Day - Monday 5th February

On this day, children are invited to come to school dressed as a member of a trade or profession - they may come as a baker, builder, nurse, nail technician, dog trainer or maybe a member of the armed forces. We ask that children do not come dressed as footballers, superheroes, fairies or princesses please!

Easter Bonnets - Thursday 28th March

Advanced notice of this year's theme for our Easter bonnets - Careers!

For our new families who aren't aware of what we do - each year we ask all children to make an Easter bonnet with a particular theme as part of our Easter Celebration on the last day of term (28th March).

Fill a Jar Fundraiser

Following the School Council meeting last week, the council have agreed that they would like to do a 'fill a jar' fundraiser raising money for Children's Hospice Southwest. We ask that all jars are in school by Thursday 1st February. The raffle will take place on Friday 9th February.

Class News

Class Lynher - In PE we have been looking at cheerleading and routines. We had a resource which gave us ideas for movements and then we put them together into a routine. In history we have been looking at the Windrush generation and how they were treated when they arrived. In English we have started looking at a short film called Alma and thinking about how we can show not tell her emotions. In science we were looking at shadows and how they are made. We looked at how light goes through different materials. By Charlie & Logan

Class Tamar - On Monday, we all had a go at playing our own ukeleles. In science, we had great fun conducting an experiment to find out what temperature melted chocolate the quickest. In PE, we listened to 'Let's Go Fly a Kite' from Mary Poppins and created dance moves to re-enact flying a kite. In history, we have been learning about the Greek Gods - their powers and their influence over the people. By Jock & Hannah

Class Cremyll - We went on a walk to the woods today to see if we could spot anything growing in winter. In computing, we enjoyed learning to programme the Bee-Bots to change direction. On Monday, Mrs Stocks (Mrs Norton's mum) came in and taught a history lesson as if it was 1974 - 50 years ago! We looked at the similarities and differences of the classrooms. In PE, we continued our dance unit. We worked in pairs and had to copy the other person's moves. By Michael & Skye

Class Plym - We went on a walk to the woods this morning to see what they were like in winter. In English, we looked at non-fiction books about animals. We then drew our favourite animal and told Mrs Gibson facts about them. We also drew and wrote which was our favourite fruit that we tasted last week. In RE, we looked at the creation story and we each drew a picture of one of the days. By Niamh
