# JIGSAW – CHANGING ME

Summer 2

My body!

We sang a very funny song about our body parts and wiggled them as the song said.

Where are our body parts?

Are our bodies all the same?

- We have all of these body parts the same but we have different parts too!

- 'different finger prints'
- 'different eye colour'
- 'different hair colour'
- 'different shoe size'

Actually, not everyone has hair.. Some dad's don't.

How can we keep our bodies healthy?

Healthy and not so healthy food

# How do we change as we get older and grow up?

Adults go to work so they can get money for their babies to go to college, pay for their house and food.

A baby cries when they are born because they loved it in their mummy's tummy.

Moving on to year 2

Some of us will be leaving to go to a new class in September. We talked about how we felt about this and created fact files about ourselves to give to our new teacher.

All About Me!

My Name is _Alna_
My Birthday is _october_
I am _6 in a nars_ years old.
My favourite colour is _light bluwe_
My favourite food is _aols_
I live with my _brith and sistu utha_
